Postdoc Pre-Faculty Preparation Program

5P PROGRAM FOR POSTDOCS

The **Postdoc Pre-Faculty Pedagogy Preparation Program (5P)** aims to equip you for the teaching responsibilities you'll encounter as a future faculty member, regardless of whether you're aiming for a large research university, a small teaching-oriented college, or something in between. Successfully completing this program will provide you with valuable experience to enhance your CV and teaching portfolio when applying for faculty roles.
