Contact for any library-related questions.

→ **Research Data Support**

DMSPs, CaltechDATA, Data Consultations

→ **Open Access Support**

OA publishing discounts,  
transformative agreements,  
CaltechAUTHORS

# Library Support for Public Access Requirements

Need assistance?  
Email [library@caltech.edu](mailto:library@caltech.edu)

- The Library provides expert guidance on public access to research articles and data.
  - As of July 1, 2025 the NIH requires immediate public access to publications from funded research.
  - All federal funding agencies adopted similar policies.
  - We offer:
    - Support for [NIH Public Access Policy](#) compliance
    - A curated list of [publisher policies](#) on public access
    - Help navigating data sharing requirements
-

# Research support

Questions?

Email [library@caltech.edu](mailto:library@caltech.edu)

- [General Grant Support](#): ORCID, collaborator reports, data management, SciENCv, etc.
  - [Support managing ORCID accounts](#) for identity management and grant compliance.
  - [Open Access Publishing Support](#): Publish manuscripts Open Access (OA) for free or at a discount through the Caltech Library's agreements with several publishers.
  - Consultations with [Subject Librarians](#) to help determine appropriate manuscript version to submit and submission process - email [library@caltech.edu](mailto:library@caltech.edu).
  - [CaltechAUTHORS](#) can track open access status, personal and document identifiers, and other needed metadata.
  - [CaltechDATA](#) can provide storage, manage public access, assign DOIs, and other services.
  - [Research Data Support](#): Consultations with Librarians for guidance on general data management and preservation, Data Management & Sharing Plans (DMSP's), and more.
-

# We also teach workshops on software and data tools.

Want to share your expertise by teaching a workshop? We'd love to partner!

# Publishing Support

Caltech Library supports the publication of open access e-books and journals from individuals or research groups with a compelling idea and the text, data, and media files associated with the project.

## → Open Access E-Books

Content hosting, publishing tools, copyright assistance

## → Get a DOI or an ISBN

Self-service & custom DOIs, ISBNs for self-published books.

## → Register an ORCID

## microPublication Biology

### NEW FINDING

**Prostaglandins limit nuclear actin rod formation during *Drosophila* oogenesis**

Tina L. Tootle

## ATLAS OF BACTERIAL AND ARCHAEAL CELL STRUCTURE

# Printing services at Caltech Hall

- Regular printing
- Large format poster printing
- 3D printing
- Resin printing

## TechHub

Located on the first floor of Caltech Hall, the TechHub is a productive and creative space - home to our TechLab for 3D printing, the technology lending program, and an Archives exhibition space.
